Hi Jeannie,

Please use the following FTP site, and advise when the files are up. There are no files on this site.

Thanks!

Bernward

Hi Bernward,

In order to get the copies of the documents you requested to you, the Corps needs another website.

The adrive site that I have been using, no longer allows you to have free access.

They will not have access to the FTP site because of the security information.

Also, it would not be acceptable to give them access to all of the unpublished documents at this time (i.e. files on the ftp).

Do you have a personal ftp or cloud site? Like dropbox or adrive that I could give to them so that they could upload the documents?

Thanks, Jeannie
